November 2018

Welcome to November, Illustrious Fellow Nerds!

When most people in the US think of November their thoughts instantly spring to that classic national holiday where friends and family come together to celebrate the very fabric of that which binds us. I'm referring, of course, to [National Cookie Monster Day](#).

But you might be surprised to learn that November isn't just a month for celebrating the gluttonous consumption of baked goods! It also features a lesser-known festival of eating all kinds of other stuff called **Thanksgiving**.

In this month's edition, we'll focus on bringing a touch of nerdy magic to this quaint and little-known tradition.

Connected Kitchen Gadgets: Take Thanksgiving to the Next Level

Okay so you have the apps, but enhancing your Thanksgiving festivities needn't end there. Take a look at these cool kitchen "nerdhancements".
